Protect Your Home

**IT'S TIME TO CHANGE THE PAD IN
YOUR HONEYWELL HUMIDIFIER.**

Keep your Honeywell Humidifier at its best and it will keep your home's humidity at its best. Remember, too little humidity can contribute to an uncomfortable home — not to mention the potential damage and cracking of flooring and woodwork.

Our records show that it's time to change your Honeywell Humidifier pad.

Call today to purchase replacement humidifier pads or to make an appointment for our professional services.
